MEMORANDUM

SUBJECT: Bluewater Uranium Mine
FROM: Bill Nelson, Regional Rep IX
TO: Paul Charp, DHAC/RPB/ATSDR

Enclosed is the preliminary assessment data collected by EPA on November 15-16, 1990, at the Brown-Vandever and Desiderio Uranium Mine Sites for your review and comment.

Since our recommendations might set a precedent for removal action at other uranium mine tailing sites we would like to have a conference call with you and EPA to discuss and clarify any questions we all may have on these sites.
